

# Term 3 review

Another busy term was had with focus' on story exploration with read and told stories and the use of story stones, measurement, loose parts in the blocks, recipe creation with plants and mud, name recognition and exploring hot glue in the making table. We had a student teacher, Teresa, who focussed her teaching on mud kitchen explorations, introducing a kaurna greeting and kaurna language, building and exploring islands and robots. We went on an see 'Yo diddle diddle' at the Patch Theatre focussed around the book 'The cow tripped over the moon'.

*EYLF Outcome 4  
Children are confident & involved learners*

Exploring hot glue guns and wire in the making table for expressing our ideas

*EYLF Outcome 3 - Children have a strong sense of wellbeing.*

## Numeracy

The 'paint the town red' egg visited our centre many times. We noticed it was growing bigger and bigger. We measured and compared the egg each time it visited as well as read it books and sang it songs.

*EYLF Outcome 1 - Children have a*

This term we have also continued with workshops to target our term focus'. Some activities have included using storystones for storytelling, book club, playdough making, block building with loose parts and grinding.

*EYLF Outcome 5 - Children are effective communicators.*

## Literacy & Mark Making
